## PHILOSOPHY

Striving for honesty and exceeding client expectations.

**Hillcrest** is a custom home building firm located at Lake Keowee specializing in quality home Design • Build • Maintain and is a full service company. We have an office conveniently located on Highway 11 near the Keowee Town Market.

**Here are a few kind words our clients and associates have to say about us.**

### **Justin Winter, Broker @ Justin Winter Associates**

"Doug is artistic, creative, cost-conscious, hardworking, experienced, reliable, and easy to deal with. He's a very positive person therefore easy to be around. He works tirelessly to please his clients and won't leave a client dissatisfied. I'd heartily recommend Doug anyone considering building."

### **Dave & Rosemary Nenno, Cliffs Vineyard**

"Doug Coghlan's ability to assist anyone in the home build/design arena is the highest of anyone we know. He is most importantly a good listener. He does not come with an agenda to push but brings out the best ideas jointly and then implements them cheerfully with a great group of subs. He is also willing to "get his hands dirty" and pitch right in. He has a great attitude and genuinely cares about the people he helps. If you want the best, go to Doug!"

### **Bruce May, Sales Jocassee Realty**

"The highest compliment I can give is when my clients Highly Recommend a builder; this is not something I hear often in my 10 years at the Cliffs and Reserve Communities on Lake Keowee..."

### **Jere Shahid, Sales Executive Cliffs Communities**

"Douglas is an extremely conscientious builder who watches not only the bottom line but has the finesse to combine customizing the detail of architecture, decor and blending with the environment. His quality of workmanship is high end without the high end price tag and flashiness. His attention to details is unlike I have ever seen, I would personally hire him to build my own home. His personable nature allows him to know the client and build accordingly to their needs..."

**If you are considering New Home Construction please contact us for a consultation.**

**We look forward to meeting you,**
